

2011 LANDSCAPE AWARDS

The Minnesota Nursery & Landscape Association (MNLA) is proud to present the award recipients in the 2011 Landscape Awards program. The purpose of the MNLA Landscape Awards program is to bring recognition to outstanding examples of landscape design, landscape installation, and landscape management. These award winners showcase professional excellence and encourage greater public awareness of the aesthetic and environmental benefits of landscaping. For additional photos of award-winning projects, visit www.GardenMinnesota.com.

A SPECIAL THANK YOU TO OUR 2011 AWARD PROGRAM SPONSORS!
